

2 YEAR OLD PRE-SCHOOL GOALS

ALL AREAS OF CURRICULUM INCLUDE EXPLORING, EXPOSURE, AND EXPERIMENTING

JESUS TIME

We want preschoolers to take a first look at who God is and understand these three BIG TRUTHS:

- God made me.
- God loves me.
- Jesus is my friend forever.

We reinforce these truths each week in the classroom with stories from the Bible and a weekly chapel time. Bible stories taught include, but are not limited to, the following.

- Creation
- Bible patriarchs (Moses, Joseph, David)
- The Ten Commandments
- The Birth of Jesus
- The Miracles of Jesus
- The Lord's Prayer
- The Death and Resurrection of Jesus

FAM JAM, a special Sunday experience where families focus on learning one thing about God at a time and doing it *together*, complements that weekly learning. In FAM JAM, noise is OK. Activity is normal. Fun is expected. Music is contemporary.
